

Media Director

Reports to: Pastor of Spiritual Formation

Team: Worship Ministries

Position Description: The Media Director will oversee the sound, computer, camera, and lighting volunteers. Striving to present the church's vision with clarity, the teams under the Media Director's leadership will work to bring a high-quality worship experience to our Classic and Contemporary Services at State College Alliance Church. Working behind the scenes, the Media Director will be mindful of the overall production of events and services at State College Alliance Church.

PRIMARY ROLES - The Media Director will:

1. Be responsible for the atmosphere for events and services, bringing clarity to the vision and working to eliminate distractions.
2. Recruit and develop volunteers (sound, lights, computer, and camera) communicating high expectations and providing technical training.
3. Work closely with the Pastor of Spiritual Formation and preaching team to support and facilitate their role in leading the congregation.
4. Manage live streaming of services, post production of videos, and online video archive.
5. Manage the media budget for State College Alliance Church, alongside the Pastor of Spiritual Formation.

SECONDARY ROLES - The Media Director will:

1. Work closely with other team leaders on issues related to stage setup, and equipment purchase and maintenance.
2. Maintain strong working relationships with partnering ministries like Nittany Christian School and other groups that will use the State College Alliance Church facility.
3. Provide media support and training for outside groups utilizing the facility.
4. Provide media support or utilize volunteers for weddings and funerals.

EXPECTATIONS

1. Must have integrity and character befitting a leader within the church
2. Attendance and participation at selected State College Alliance Staff Meetings
3. Approximately 10-12 hours/week
