

STAFF UPDATES FALL 2026

Dear Church Family,

As we step into this new season, we are excited to share some updates regarding our team and how God is moving among our staff. Please join us in celebrating and praying for several changes to our team!

ADMINISTRATION

We are excited to welcome **Bill Jester** to a new role within our team. As *Director of Operations*, Bill is working with our administrative teams to oversee the scheduling, financial systems and physical operations in the building. **Suzanne Williams** has taken a reduced role to spend more time with her family, but continues to give Operations support to Bill and the team. **Stephanie Miller** is transitioning out of her financial and accounting responsibilities due to her family's relocation and we are grateful for **Beth Yoder** stepping back into our staff to cover these needs.

NEXT GENERATION MINISTRY

Anna Raquel Duiker is now officially overseeing Alliance Kids' ministries as our *Children's Ministry Coordinator*. We are in good hands for a new season of ministry, and to help shepherd the kid's ministry, **Seth Roush** is expanding his role to give pastoral leadership to all Next Generation ministries. His primary focus will remain AWAKE Student Ministries (6th-12th Grades).

SUPPORT STAFF

We are delighted to welcome three new support staff members to our team this year. **Christie Jester** will work with Pastor Aden Wertz as a part-time *Missions & Ministry Coordinator*. **Chloe Kissinger** is also working with Pastor Aden as our *Conversational English (ESL) Program Director*. Finally, we are delighted to welcome **Brian and Susie Landes** who are working with Pastor Dan Min as our *Community Group Coordinators*.

There are a lot of changes happening, but every one of these moves is a wonderful, positive change for our congregation and staff team. We are delighted for the selfless work that these men and women do to serve the Lord in the context of our congregation. Some have even opted to serve without a paycheck just to bless our congregation. Please pray for our team as they serve our church family in the months and years ahead.

With much gratitude,

Pastor Aaron
