STAFF UPDATES - July 31, 2020

There have been several staff changes in 2020 and we would like to keep our church family up to date as our team develops.

1. In January, Robin Schuh concluded her Office Assistant role in order to move out of the area. We are grateful for Robin's service to our church family for many years.
2. In February, Debbie Dudenhoefer returned to State College after 5 years on the mission field (Peru). Debbie took on an interim staff role with our media team and God used her at precisely the right time to help us launch our online ministry. She is now working for a local architecture firm and continues to volunteer with our church family.
3. In June, Aden Wertz moved to full-time position with the church, leading our Media and Audiovisual teams. Aden is a great addition to our staff and is processing toward a pastoral role with State College Alliance Church.
4. In July, Jennifer Gierhart concluded her Church Administrator role when the elder board moved the role to a part-time position. Jenny has served State College Alliance Church for many years and we are grateful for her significant contributions. The restructured, part-time role will be filled this fall.
5. In July, Rick Parker concluded his Facilities Manager role when the elder board moved the role to a part-time position. We are very grateful to Rick for the integral part that he has played in the oversight and upkeep of our facility. The restructured, part-time role will be filled this fall.
