****All preschool age students have the option of enrolling in extended day for morning classes OR lunch bunch before the afternoon class. Enrollment is required to attend- this is not a "drop in" program. Extended day and lunch bunch students eat lunch in the 1st floor multi-purpose room. In extended day sessions, students may have a different teacher and be in a different classroom from their morning class. Please consider whether your child transitions easily before committing to the extended day or lunch bunch programs. Extended Day or Lunch Bunch enrollment remains open during the course of the school term as long as space allows.**
