

Beloved Support Team,

December 2020

Daniel blessed the God of heaven...

“Let the name of God be blessed forever and ever,
For wisdom and power belong to Him.
It is He who changes the times and the epochs;
He removes kings and establishes Kings;”

Praise to our Lord who rules over all revealing His glory and coordinating all things for our highest good. Nothing happens by chance. Our Sovereign Lord rules over the election of our president, virus, health, sickness, and death (which is gain for those who love the Lord (2 Corinthians 5.8; Philippians 1.21.)

Thank you for praying for our 17 year old grandson, Tiago. Praise the Lord with us. God moved the heart of the authority and granted him a visa to join his family in the US arriving in Kansas City on November 6. We thank God we could be here to receive him. Pray that he will not be eluded by materialism but remember His Creator in the days of His youth. Praise the Lord for providing him with a job to work with his father. Tiago desires to study at Calvary University in Kansas City and return to southern Brazil as a missionary.

We praise the Lord for our 3rd oldest granddaughter, Michele, a God fearing young lady, who became engaged to Oscar Polafox. Pray for them to glorify God in preparation for marriage possibly in May.

Thank you for your prayers for our two year old grandson Philip. He just arrived home from the hospital after another dose of chemotherapy and his Immune level number was low making him more susceptible to succumb to germs. We thank God for the privilege to spend these last two weeks in his home. His parents have asked us to be here with the other 5 children when Philip will receive intensive chemotherapy starting December 31. Today, November 27, we are traveling back to Brazil. Please pray for us to know if we should return from Brazil to serve them. We want to be faithful in discipleship of the Brazilian men and women who are preparing for marriage and also in church planting in Brazil. Yesterday (Thanksgiving), 49 of our family members united in our eldest son's home to thank the Lord in everything for this is the will of God in Christ Jesus. While Philip's family sat on the deck, the rest of us sat on the grass making a joyful noise during the annual secret friend gift exchange!

Grateful to you for your prayers and gifts for the Lord's work in Brazil.
