Greetings from PENNSYLVANIA!

Thanks to all who were praying for our return from Brazil. Sorry, though, I should have sent this out 3 weeks ago. We made it to Pittsburgh on May 16th. It was a LONG 29 hour trip through 5 airports and 4 planes! Since we were advised to postpone our return from Brazil, it worked out to travel with our daughter-in-law and 3 grandkids. Each one of us kept a child in tow as we traveled.

After 2 weeks in quarantine we celebrated Zoe's second 30th birthday and Simone's 32 with a picnic. Our son, Lee, came to Pittsburgh to meet his family and travel back to Oregon with them all together on June 2nd to make it easier for Simone. Simone is still in the US on her visitor visa. Because of government offices being shut down, both here and in Brazil, she has not been called for her interview for a spouse visa yet. We appreciate your prayers that this can all be taken care of before her 6 month "visit" expires.

The first week of June we started back to work at Ready Yourselves Youth Ranch. The first loads of hay just started coming in. We are looking forward to starting the mentoring program soon. We are so thankful for Rebecca, our program manager, who has kept up with all the new regulations and the county safety and social distancing requirements.

July also looks full for day camps and pony actives. Please pray for the volunteers for all these activities, as well as the children who will be participating. May we be able to share the hope and love of Christ with them.

Our churches in Brazil continue with online services as well as a small Sunday evening service at the church building. Things were opening up, but then we got news that some restrictions were kept in place because of new cases of the corona virus in our City and State.

Serving at the Ranch is our primary ministry while in PA for the summer; but if you would like to have us come to your church to share about our ministries (or a personal visit to share them) please contact us for a date. Since we delayed our arrival in PA, we will delay our return as well.

Serving HIM Together,

Don & Zoe Peffer
