Service Project: Heifer International

For our service project in July, we will be partnering with [Heifer International](#) to raise money to buy a chicken, goat, cow, or whatever we can afford by the end of the month (we will let the kids decide)! This is a month-long project, with a final tally on July 30 (Service Sunday).

This coming Sunday, look for "Fill The Ark" calendars and giving banks that you can fill with loose change for collection. As the bank gets full, you learn how Heifer animals help families in need. At the end of the month, the children will bring their banks to the cross, Father Brian will pray over them, and we will spend some time talking about service.

The process takes about two minutes per day, but covers how different animals help people with their livelihood. And you can customize it to fit your schedule!

This is a completely optional event, but I hope you will join with us in raising money for this cause! Feel free to [email me](#) with any questions.

Blessings,
Amy Willers, Director of Children's Ministry

PS. If you can't make it to church this Sunday, you can download the calendar [here](#) or pick one up at church any Sunday this month.

Monthly Memory Verse

For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.
John 3:16

Our goal is to have all the children memorize twelve verses this year! We will work on it in Sunday School, and I hope you will work on them at home, as well!

*Jesus said,
"Let the little children come to me and do not hinder them,
for to such belongs the kingdom of heaven."
Matthew 19:14*
