### July 2025 Newsletter

## A message from Pastor Jonathan

### Brothers and Sisters in Christ!

Early Monday morning I joined with 35 other people of faith from North Carolina a pilgrimage to Washington DC for Moral Mondays in DC organized by Repairers of the Breach. We joined with 200-300 other people of faith from around the nation to stand in witness against the budget bill that is making its way through Congress right now.

To partially fund a tax cut and massive spending increases for the Pentagon and ICE, the bill cuts \$863 billion dollars from Medicaid and SNAP (formerly food stamps) by \$287 billion dollars over the next 10 years. These cuts mean people will Researchers from Yale and the University of Pennsylvania estimate that the cuts to Medicaid will lead to 51,000 preventable deaths per year.

In Yadkin County 29% of our neighbors rely on Medicare for their medical coverage. This is not a theoretical conversation about people far away. This will cause harm to our neighbors. In Washington DC we heard from individuals who will be directly harmed by this legislation. Two of those who shared their testimony were Chris and Elaina.

**Chris Shumake** traveled from Alexander County, North Carolina, with pastor Joel Simpson to share what it would mean for him to lose Medicaid. "I just finished high school and I'm doing auto technician systems training in August. I'm relying on Medicaid and SNAP to help me continue my schooling. If I don't have it, I'd have to go to school and worry about not being able to eat that day... If you can't eat, you can't focus."

**Elaina Hurley** is from West Virginia. She may not look like she has much in common with Chris, but you only need to listen to her for three minutes to understand why these cuts would hurt them both the same. "I was receiving Medicaid until I did what state and local representatives said to do: I went to work. And they pulled a whammy on me. I lost the medicine that made it possible for me to work."<sup>1</sup>

When we talk about making the love of Christ real, we are asking specific questions. Do our neighbors have enough to eat? Can they access healthcare? Do they have what they need not only to survive, but to thrive? Healing was central to Jesus earthly ministry. The people of God are instructed to care for children, widows, and the stranger throughout scripture. We are to be a people of peace, justice, and mercy. This legislation stands in opposition to who we are called to be.

### So what can you do?

If you are reading this before the house passes the final version: call your Congressman and leave a message with this script:

## A message from Pastor Jonathan (continued from page 1)

"As a resident of your Congressional district, I am deeply concerned about the trillions of dollars of cuts to health care, SNAP, and more. This budget will hurt our community and people we love. Listen to your constituents and vote NO now. Thank you"

If you don't get anyone, leave a message with your address to make sure your call is tallied.

Representative Pat Harrington, NC 10th District: (202) 225-2576

If you want to be involved and informed going forward check out these resources:

Repairers of the Breach is the organization that organized the Moral Monday rally I attended. If you would like to participate in the Moral Monday Rallies on August 4th or September 8th talk to me and I will add you to the contact list from Rev. Joel Simpson at FUMC Taylorsville. <https://breachrepairers.org/>

You can also sign up for updates from the Board of Church and Society in Washington DC. <https://www.umcjustice.org/>

You can also give to Hands of Hope and/or Yadkin Christian Ministry. These ministries will be even more vital to our community if this legislation is enacted. You can give to them directly or through the church, just write the organization on your check/envelope.

Grace and peace,  
*Pastor Jonathan*

As United Methodists, "we decry the widening gap between the rich and the poor and the concentration of wealth in the hands of ever smaller percentages of the global population. We lament that too many of the world's people lack the basic resources necessary for survival and pledge ourselves to work toward the eradication of the roots and effects of poverty"... **The United Methodist Social Principles, Economic Community, Economic Challenges, B., Poverty and Income Inequality**

## Social Principles

In 1908 the Methodist Episcopal Church became the first church to adopt a Social Creed, followed closely by the Methodist Episcopal Church, South and the Methodist Protestant Church. Over the years the Social Creed has been updated, in 1974 it became the Social Principles. In 2024 the General Conference of the United Methodist Church approved a major revision of the Social Principles.

The Social Principles articulate our ethical aspirations for the common good in our public policies and personal commitments. Through them, we seek to love God with our whole heart, mind, soul, and strength and to desire for our neighbors what we desire for ourselves.

This Lent we will focus on worship with the Social Principles and how we are called to live as people of God in this world. The sermons won't dive into each Principle, but will focus on the major sections and the scripture that guides our thoughts and actions on each principle.

You are encouraged to read through the Social Principles of the United Methodist Church in your devotional time in preparation for worship and life together.

## Reading Plan

### Spend the Year in Scripture

The One Story That Leads to Jesus reading plan will guide you through the entire Bible in one year. Each day, you'll read a few chapters—or occasionally skim through large genealogies or census sections—as you make your way from Genesis to Revelation.

### Meditate on the Psalms

Each day's reading features a psalm for you to meditate on through quiet reflection and prayer. By the end of the year, you'll have read through this entire book of biblical poetry more than twice.

## CULTIVATE: NURTURING CHILDREN

Cultivate: nurturing children in worship and prayer is a five year \$1.5 million Lilly grant funded project for the Western North Carolina Conference of the United Methodist Church. The goal of the grant is to help congregations assess their current realities ( joys, struggles, and successes) with nurturing children in worship and prayer and to guide them in taking the next best step for their unique context. This is open to all churches in the Western NC Conference who wish to discern how they might nurture children in worship and prayer. This project includes several initiatives, such as the congregational assessment, coaching sessions, listening sessions, and trainings.

If you are interested in your church being in active participant in the Cultivate Grant, the first step is to fill out the interest form! This will help gather the contact information and tag you as a Cultivate Grant Participant in the conference database. Multiple people from your congregation can fill this out. From there you will be asked to complete the Congregational Assessment. Upon completion of the assessment, you will be paired with a coach to help you determine next steps for participating.

**BASE PARTICIPANT: FILL OUT THE ASSESSMENT**  
**ACTIVE PARTICIPANT: MEET WITH A COACH AND ATTEND TRAININGS**  
**FURTHER PARTICIPANT: APPLY FOR & RECEIVE MINI GRANT**

## Reader's Corner

Here are a couple more books that are good reads for UWF.

*"Zenzele"* by J Nozipo Maraire.

This is a letter written by an African mother to her daughter who has gone to America for college. The letter is written to remind Zenzele how important it is to remember her roots and to just develop the best in herself rather than trying to leave the old person behind and become someone different. It is good to explore new ideas, develop new traditions, but the old traditions are what truly make her daughter the person she is and it is important to embrace it all to become even more amazing.

*"Beads of Hope"*

This book has been in the library for quite a while. I am glad I finally read it. It is a story of how our amazing God takes care of us through all of life. These African women appear to have very little to be thankful for, greet each day praising God and seeing his work everywhere in the world. They bring this love to a group of American women who come to Africa, each with their own reason, but all leaving with a new found love and faith in God, themselves, and others.

*"A Twist of Faith"* by John Donnelly

Written by a photo journalist who follows a N. Carolinian carpenter who feels called by God to go to Malasia to build orphanages, but who over time realizes that God is "twisting" his faith to a more God centered faith.

While I was looking for books, I came on 2 must reads that I read several years ago. *"Who Needs God"* by Harold Kushner and *"Why"* by Anne Graham Lotz. I hope you all have or will read them.

## The Leadership Team

The leadership team met on Wednesday, June 25th. We always welcome anyone from the church to attend. We appreciate our visitors this past meeting - Adelaide Whitaker and Myron Williams.

We have a time of sharing our Celebrations early in our meeting. A celebration recalled by Myron this past week was the friendliness of Ann Ivey - always greeting others at church and in the community - a thought shared by all. We keep Jerry and Ann's family in prayer and a forthcoming Memorial service for her on July 12, 2025, at the church at 2:00 p.m.

July will start off with a bang - pun intended Ha-ha- with the Fourth of July celebrations. On Friday, July 4th we will have our second Ice Cream Churn Off. It starts at 4:30 p.m. and ends before the Yadkinville parade at 7:00 p.m. On Saturday, July 5th will be Fireworks on the Back Lawn. We will start gathering at dusk. Bring a dessert to share, along with a chair for the Fireworks at 9:30 p.m. Come join in the fun.

During this meeting we continued, as a team, to investigate the finances and options with the Parsonage. The parsonage will need some major repairs in the next few years as the home gets older and general maintenance. We also have a balance on the Family Life Center of \$445,572.00, with a monthly payment of \$5464.00. We are discussing financial options of the future for our church.

In preparing for the future and current participation in the First Church Cohort YUMC, a team is forming to work with the Wesley Community Development Corporation to look at suggestions to optimize usage of our church space. More information will be forthcoming as this new effort progresses.
