United Women in Faith Sunday

On Sunday September 27 we had a special service to celebrate United Women in Faith Sunday. As part of this service we give pins and gifts to missions of the United Women in Faith in honor of our local recipients. This year the Executive team voted for the following individuals:

Joyce Roseberry and
Roland Dove.

Both of these individuals humbly and lovingly use their gifts of the Spirit to serve the Church. Each individual of our Church family has special interests, abilities and gifts to use to serve others. As United Women in Faith we thank God for each of you.

The United Women in Faith is a community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand the concepts of mission through participation in the global ministries of the Church.

What does this mean to me?
I am a servant, in the means that God calls us all to be his hands and feet in the world. We are called to show our Love in Action. God has given us each different spiritual and physical gifts and abilities to use.

I enjoy the fellowship of the women's group and the Church as we support one another. Helping students and teachers at Yadkinville Elementary School and feeding our community through the Sharing Pantry and Yadkin Christian Ministries is a faithful service.

The United Women in Faith and the church also recently support other projects - Project Agape, as well as
praying for and supporting missions nationally and globally. With as busy as the Fall is here at Yadkinville United Methodist Church, we didn't want to get too far into it and miss everyone celebrating the recipients this year.
