**Every role above this point would be transformed into a 9-12 member Leadership Team with the responsibilities of Church Governance.**

**Equipping Ministry (Lay Leadership Development)**

**Reverend Jonathan Gaylord** (Chairperson), **Kenne Baity** (Lay Leader), **Marty Driver** (Church Council Chair), **Mark Moran** (SPRC Chair), **Valerie Prim** (Lay Member to Annual Conference), Faye Diachenko, Sandy Steele, Dale Dodson, Jack Reavis

**The Equipping Committee/ Lay Leadership Development/ Nominations would be reformatted as a stand alone Nominations Committee of 9 members in 3 classes, each with a term of 3 years (See the current SPRC structure). They would have responsibility for identifying leaders for the 9-12 person leadership team. With a few exceptions (Lay Leader/ Lay Delegate to Annual Conference) a person couldn't serve simultaneously on the Leadership Team and Nominations Committee**

**All of the positions below would continue to be identified on a yearly basis in conversation with Nominations and the Leadership Team. We would add a Building and Grounds Committee to take over the non-administrative tasks currently overseen by the Trustees, e.g. care for the physical church plant.**

**We would use this opportunity to add ministry area contacts as needed and subtract those that are inactive.**

**No one serving in a ministry area below would be on the 9-12 person Leadership Team, UNLESS ELECTED SEPARATELY.**

**While governance and administration of the church is a ministry, it is not the only ministry and SAS would free people to do more physical and emotional work in the areas of Nurture, Outreach and Service.**
