Dear Parents, Guardians, School Staff, and Neighbors:

August 2026

New York Law Section 409-H, effective July 1, 2001, requires all public and non-public elementary and secondary schools to provide written notification to all persons in parental relation, faculty, staff, and neighbors regarding the potential use of pesticides periodically throughout the school year.

Greece Christian School is required to maintain a list of persons in parental relation, faculty, staff, and neighbors who wish to receive 48-hour written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- a school remains unoccupied for a continuous 72-hours following an application;
- anti-microbial products;
- nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children;
- silica gels and other nonvolatile ready;
- boric acid and disodium octaborate tetrahydrate;
- the application of EPA designated biopesticides;
- the application of EPA designated exempt materials under 40CFR152.25;
- the use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur at Greece Christian School and Greece Christian Preschool, please complete the form below and return it to the school office: 750 Long Pond Road, Rochester, N.Y. 14612; (585) 723-1165, or Fax (585) 723-8241.

Please feel free to contact the school office for further information on these requirements.
