## Writing Your Testimony

Your testimony is your personal story of how you came to know the Lord, Jesus Christ. While you are meeting with Josh Kline and recording your video, these questions will be asked:

- 1. Your life before Christ**
- 2. How you met Christ**
- 3. How Christ changed your life**
- 4. Why are you getting Baptized**

Please pray and allow the Holy Spirit to guide you as you reflect and answer these questions. We need to keep videos about 2 minutes in length, so we may need to edit your video. On the day of your baptism your testimony is presented to the congregation before you are baptized.

## The Day of Your Baptism

Please arrive 20-25 minutes before the service time of when your baptism is taking place—meet next to the baptism area at the front of the Sanctuary. From there, your HTC Coordinator will walk you through what will happen so you are ready. This is a big day and we know you may be nervous, but don't worry—it will all be great—God is leading!

## Family & Friends

When you arrive at HTC, we will seat your family and friends in a reserved area. Please let us know approximately how many will be in your group so we can plan accordingly.
