A Daily Dose of the Word

As we enter a new year, it is our desire to see each person at HTC grow spiritually in 2025.

Babies are meant to grow up, and God expects us to grow spiritually. A key ingredient to help us in our relationship with God is the regular reading of the Word and Bible memorization. Regardless how long we have been a follower of Jesus, HTC wants each of us to grow deeper in our relationship with Him.

The purpose of “A Daily Dose of the Word” is to provide a plan for devotional Bible reading, and help us to be in the Word daily. Additionally, there is one or two verses per month to memorize to help us in our Christian walk. Let’s be people of the Word!
