

Welcome to our Drive-In Worship – UPDATED for 11-29-2020

Sharing of the Peace – Following the pronouncement of the Peace, you are invited to step outside your vehicle to acknowledge the presence of others gathered for worship. You MUST be wearing a face covering and maintain social distancing.

No Parking Lot Fellowship until further notice.

FAQ's

1. What entrance should I use to enter the parking lot?

- Please enter by the South Gate
- You will be directed to a parking spot maintaining the state 6' distancing requirement.

2. What do I need to do once I'm in my parking spot?

- Remain in your vehicle - you can roll down your windows if you and all passengers are wearing a mask.

3. How do I connect to audio?

- We now have two options for connecting to our sound system:
 - FM radio broadcast found on channel 95.3, **only available within our church and parking lot.** You can tune in using your car radio or portable battery-operated radio.
 - The second option is using the AudioFetch app, connect your phone or tablet to our internet network: *lol_audio* and then open your *AudioFetch App* which brings up our audio page. The AudioFetch app is a free download available through Google Play or iTunes.
- Our Parking Lot Assistants are available if needed to assist you with connecting.

4. Will we be able to get into the building to use the restrooms?

- Unfortunately, we are not yet able to properly disinfect interior spaces. The restroom facilities will remain CLOSED at this time.

5. How are we doing Holy Communion?

- We will partake in communion together by providing prepackaged communion kits for all, which includes a wafer and a small plastic cup of grape juice. You are welcome to bring your own communion elements if you prefer—however it is illegal to have an open container of wine in your vehicle—even for communion.

6. Will any bulletins or handouts be provided?

- No—but you are invited to print the **Order of Service** attached to the Thursday email from the church office. It will include the Bible reading and other responses.

7. What else do I need to prepare for this service?

- Please bring grace and patience.

- We continue to learn and adapt.

Seven [7] Guidelines for Tailgating Participants: 1) Upon entry to the parking lot tell the communion assistant that you are tailgating; 2) Wear a mask or face covering; 3) Honor the 6' social distancing between other families; 4) Stay within your parking space; 5) Remember that both buildings are closed and therefore we ask everyone to use the restroom before arriving; 6) The playground area is also closed; 7) Help your children to understand and follow these essential safety rules. As followers of Jesus, we understand that we are called to express both RESPONSIBILITY and GRACE in all our relationships.
