NOTES AND ANNOUNCEMENTS

Mr. and Mrs. Carl Johnson are on a three weeks' tour in the West, visiting relatives and friends in Montans, Washington, Oregon and California. "The Messenger" wishes them a delightful trip.

A son of Mr. and Mrs. Walter Larson, Gary Ahlgren Larson, was through the baptism dedicated to the Lord, last Sunday during the morning service.

"Interest" in Missions

"I cannot get interested in missions," exclaimed a petulant young lady.
"No, dear," said her aunt, "You can hardly be expected to. It is just like getting interest at a bank; you have to put in a little something first; and the more you put in time or money or prayer - the more the interest grows. But something you must put in, or you will never have any interest."

If you are living you do not need a birth certificate to prove it.

The Bible On Dishwashing

When in doubt on any subject, always turn to the Scriptures. For example, if the question comes up as to whether a husband should help his wife in washing the dishes, and how he should do it, you might turn to II Kings 21:14. This passage says: "And I will wipe Jerusalem as a man wipeth a dish - wiping it and turning it upside down."

The thought of living ought to become a real challenge to us when we seriously recognize the fact that we live but once. It is not our privilege to re-live the days gone by, to reclaim them is not within our power.

A square has four equal sides and four equal right angles. A square fellow is one who is honest, who does not deviate from certain fixed principles, who is straightforward and unequivocal. The idea is conveyed in the expressions "four-square," and "square shooter."

When you talk about the check-book of faith, you must remember that God's bank is for deposit also.

When Sunday School attendance increases, crime decreases.

When Israel longed for flesh, it was because they had too much flesh already.

If talk is cheap, then why do we pay so dearly?

Men are touched more by example than by advice.
