MISSIONS PRAYER SPOTLIGHT:

The McCauley's

Eric and Christy McCauley have been equipping church leaders and making disciples with Greater Europe Mission (GEM) in Austria since 2002.

A note from the McCauleys:

Everything we do falls under the umbrella of "Equipping Church Leaders and Multiplying Disciples". This core mission is carried out through three key areas:

- Local church: We work to support and strengthen local churches, primarily our church, and we also have opportunities to help other churches.
- Education: We are involved with formal and non-formal education that ranges from leading small groups to overseeing accreditation of European theological institutions.
- Leader development: Eric is involved in developing leaders locally in Vienna and nationally throughout Austria.

Check out our Missions Board to learn more about the McCauley's mission!
