

## **The Campus Connect Project is underway!**

**We have 14 students participating!** Students have already received a welcome email, an encouraging letter and gift from John, and Birthday cards are ready to be sent when the time comes.

Fall care packages are scheduled to **ship at the beginning of December**. We have an **Amazon wishlist** available for anyone who would like to contribute to the packages. All purchases from the wishlist will be shipped directly to Beth Kegley for use in the packages.

**Monetary donations** could also be used for shipping costs (*\$7.90 per student*) or toward the cost of an item on the wishlist. If you have any questions about potential ways you can support or donate, please contact **Beth Kegley**. **Checks can be made payable to Bethlehem Lutheran Church with "Campus Connect" in the memo line.**
