The **Simply Giving electronic funds transfer program** is funded through Thrivent Bank.

You may also pick up Thrivent forms at the church office.

STEWARDSHIP – A New Season!

The Grow Tree (in its winter form) is in the narthex. The congregation is now putting spring flowers on the tree. This is an opportunity to write on your flower a volunteer activity that you can contribute as part of your commitment to St. Paul's. There is an ongoing need for Communion Assistants, Readers, Greeters, Counters, Ushers, and Acolytes. These functions are vital for the health of our church. Of course, reasons for giving thanks are always welcome too!

On Palm Sunday, April 5th, we will ask you for an anonymous dollar amount pledge to be written on a flower. That flower will be burned after each service. Only you will know the contents.

A coffee hour after each service will be hosted by the Stewardship Team. Our congregation always pulls together for the continued success of St. Paul's. ~ Joan Schultz
