Yellowstone Paddlewheeler Excursion  
San Bernard River, Brazoria, Texas

We're off to another very unique adventure aboard the recently restored Yellowstone Paddlewheeler, a USCG-certified vessel that embodies the spirit of the 1800's. Step aboard and enjoy a tour of one of Texas' great little scenic rivers. Leave church at **8:15 AM** and head to Brazoria with a breakfast/rest stop on the way. Then a 1½-hour cruise with 45-minutes of fun-filled narrative about the river, the boat and the area and another 45-minutes of relaxing and enjoying the scenery. We'll return to the dock to enjoy lunch at Dido's Restaurant on the river. Lunch is at your expense and is very reasonably priced with meals between \$9 – \$12 + drink, tax, gratuity. Menu order sheets will be passed out on the bus and turned in before the cruise so our meals will be waiting for us when we disembark – Burger, Chicken, Seafood. Their specialty is the Royal Red Shrimp at \$11 (tastes like lobster). Yummy! We should return to the church around 4 – 4:30 PM.
