Your Wedding

Why Choose Peace?

Located close to North Dakota State University's campus, Peace Lutheran is easy to find in the heart of this Bison territory!

Also, for many couples, family and friends are often scattered across the country—if not the world. Being a north side church means that Peace is located close to Hector International Airport, a wide variety of hotels, and all the wonderful amenities downtown Fargo has to offer.

Even better, we at Peace have a beautiful sanctuary that is ideal for your perfect day. From our seating capacity (400 people), to the length of the aisle (55 feet), to the acoustically designed space, our sanctuary will easily accommodate your vision for your wedding day.

What Others Have To Say

Unless you already know someone who has had their wedding at Peace, it can be difficult to know how well our church will work for all involved in your wedding.

In 2014, Peace was able to be a part of 26 weddings. Many of them were on-site at the church, however, there were a number of off-site weddings where the Senior Pastor performed the ceremony.

"My husband and I got married here and it was AMAZING! Pastor Josh and everyone were so helpful and welcoming. We loved it so much we even joined the church!"

Whether you would like to have your wedding on-site, or are looking for a pastor to perform the ceremony off-site, Peace Lutheran will gladly work with you to help plan your wedding ceremony.

We can easily accommodate larger wedding parties

Other On-Site Options

We know planning a wedding can be difficult, and in an effort to help with this as much as possible, the church building is available for more than just the wedding itself! The space is perfect for the groom's dinner, bridal showers, and the reception.

If you have any other questions, or are wondering about other possible accommodations the church would be able to make, please call us. We'll be happy to help in whatever way we are able.

"Josh and Jenna were wonderful to work with. They made us feel very comfortable, and our wedding day was magical."
