

EXPERIENCE THE MOUNTAIN 2023

JUNIOR CAMP SCHOLARSHIP APPLICATION

God works in a special way in kids' lives through camps. Gateway Children's Ministries thinks camps are important enough that we don't ever want a child to miss the camp experience because of finances. We offer camp scholarships to assist families who otherwise may not be able to send their child to camp.

We work hard to get the cost of summer camp as low as possible. Asking every family to pay as much as they are able is an important way that we keep costs down for everybody. Please prayerfully consider how much of the cost you are able to cover as you seek Gateway's assistance for the rest. Any amount that you are able to contribute will be truly helpful in serving every child who attends camp.

To receive financial assistance for your child to attend camp, please complete this form and return it to Gateway's Children's Ministries department or the church office by **Monday, July 3rd**.

The full cost for your child to attend Junior Camp is \$275. Gateway pays an additional \$40 for every junior camper, which brings the base price to **\$235.00**. Please carefully consider what you can contribute. Even contributing what you would normally spend on meals can really make a difference.
