

Parent:

I hope that the school year for your family is off to a great start. I am very excited about this school year regarding our student ministry and cannot wait to share our strategy for developing student leaders in our church.

The priority and mission of our student ministry adult leadership team is to raise the bar of the expectations we have for our students. This especially applies to those who want to be a vital part of our student leadership team, so that we can make a difference in our schools, our community, and our world with the gospel of Jesus.

I would like to invite you to **the Parent/Student Meeting on Wednesday, September 19** at 7:40 p.m. (after church services). The primary agenda of this meeting will be to discuss the strategy for training and equipping our student leaders including:

1. New Leadership Requirements & Plans for this School Year
2. Crash Course: NEW Sunday Night 6-Week Course
3. "7 Essential Questions Every Graduate Must Be Ready to Answer"
4. The Hiking Trip (for students currently in 6<sup>th</sup>-12<sup>th</sup> grade)
5. Super Summer Leadership Camp (for students currently in 7<sup>th</sup>-12<sup>th</sup> grade)

Although the invitation to be a part of these leadership events is extended to every student, I prayerfully selected the students whose parents would receive this letter.

Please prayerfully consider your child being a part of this opportunity. I hope to see you this Wednesday!

In Christ,

Shane Norton
