

Faith Promise

Faith Promise is our PROMISE to get involved in God's worldwide work and is based on our FAITH in Him to enable us to do it.

WHAT we desire: That we will be enablers to make Christ-like disciples in every nation – by praying, giving and sending.

HOW can this happen? When we all ask God how much He wants to give through us this year. Our goal is \$80,000.

WHY should we give to World Evangelism Fund (WEF)? To join the movement of God through the people of God.

Dr. Geoff Kunselman

Dr. Kunselman is the director of Stewardship Development for the International Church of the Nazarene. His dedication to the mission of the Church of the Nazarene to make Christlike disciples in the nations has been evident throughout his time as pastor, district superintendent, and other denominational leadership roles. "For a disciple of Jesus, generosity is a grateful response to God's love," Kunselman said. "I look forward to partnering with our Nazarene family to 'excel in the grace of giving' by providing resources to local churches and pastor and highlighting opportunities for missionally strategic generosity."

Kunselman earned a bachelor's degree in religion from Mount Vernon Nazarene University, a master's degree in pastoral counseling from Eastern Nazarene College and received an honorary doctorate from Mount Vernon in 2016.
