After locating material, place a hold or leave a message for the library team by sending an email to libraryKCFC@gmail.com right from the catalog, then come to the library (rm. 138 near canopy entrance) to pick it up and sign the check-out card located with the item. See our check-out policies below.

### **POLICIES:**

**Check out period:** All items may be borrowed for one month. No renewals. Reminder cards will be sent out, but fines are not imposed.

**Checking out items:** All materials are loaned using the HONOR SYSTEM. Remember, materials are God's, given to us to use. Please treat them with respect, returning in a timely manner. Ask for assistance from the librarian if one is available. If not, remove the check-out card from the book pocket, sign your name, stamp the "date due" on the card and the inside flap of the book. Place the card upright in the check-out box.

**Returning items:** Place materials in the cart labeled "Return Items Here." Please do NOT re-shelve items.

**Donations:** We gladly accept items, however they will be added at the discretion of the Library Work Team due to limited space, if there are duplicate materials, or if the items do not reflect Christian morals or character.
