How many of the activities below can you and your family complete before you return to school? Mark through or color in the box after you complete the activity inside!

Ask your mom or dad if you can do a helpful extra chore around the house, and then do it joyfully.

Send five people a letter or postcard in the mail.

Attend church online! Fill out the new sermon notes for IBC Kids and bring one to share when we meet together again.

Write or draw an encouraging message in chalk or with rocks/sticks on your driveway or a sidewalk.

Choose several toys, clothes, or books to give away to someone in need.

Turn the volume way up and sing/dance to your favorite worship songs.

Help make dinner (maybe even pick the recipe!)

Do a prayer walk around your neighborhood. Pray for your neighbors, country, our leaders, the church, etc.

Go on a family hike. Make a list of some of God's creation: the trees, plants, or wildlife that you find along the way.

Draw a picture of, or write about, five things you're thankful for during this shelter-in-place time.

Call a grandparent, an uncle, a cousin, or some other family member you don't see regularly.

Have a family movie/or skit night! Ask your parents to pick a classic movie that they loved as a kid.

Find a teddy bear/stuffed animal in a store/business or house window.

Write the date in the square when you see Uncle Don, Jessica, or Travis on the lbckids FB page, or in person.

Send, or give, a thank-you note to a Port Angeles or Sequim community helper: doctor, nurse, fire fighter, grocery worker, etc.
