**Open Discussion:**

One member requested that LPPC offer to host one of the monthly Alternative Worship Services being led by Rev. Tom Ulrich. This request will be discussed by Session at the February 9 meeting.

The main discussion focused on a hike and bike trail, located mostly on church property, that was proposed to the New Mexico Economic Development Department in 2025. LPPC was designated to receive the funds. This proposal was approved, and \$ 99,999.00 was received.

Several members argued that the proposal was submitted without adequate input from residents of the village of Placitas. They were concerned that the trail would encourage increased bike traffic through the village, which could be hazardous to riders and village residents. These points will be discussed by Session at the February 9 meeting.

**MOTION: Call a meeting to allow community input on plans for a hike and bike trail and other changes that could affect people living in and near the village of Placitas.**

**APPROVED**

**Adjourn with prayer**

These Terms of Call are listed in the Personnel Committee section (below). Revised Terms of Call will be presented for a congregational vote at the 2027 Annual Meeting.**
