

**Reminder--recycle plastic grocery bags
June 17, 2020**

Good information from Cheryl Ferrell

Since supermarkets are using plastic grocery bags again, I found a good way to recycle them. There is a person in El Paso who makes floor mats out of the bags for the refugees in Juarez to sleep on. This is such a great use for these bags. It takes 500 to make a mat.

Anyone wanting to donate these plastic bags could meet me at the Homestead Village Shopping Center on Saturday, June 20th between 10AM and 11AM. I would also make sure that Casa Rosa gets their share; plus people could also drop off their empty egg cartons at the same time for Casa Rosa.

Great idea!
