PASTOR'S REPORT Rev. Baugh

Leading worship at the church in Cuba, NM was a very good experience.

A member is struggling with insurance changes. Matthew is helping.

LPPC will provide a tent for a non-member who is unhoused. Matthew has explored possible help with the Sheriff's office, and will contact the Sandoval Regional Medical Center about a possible Case Manager.

Worship continues to go well. Matthew is planning services with Elliot through Lent.

CLERK'S REPORT

Carl Allen

Annual Meeting: Sunday January 25 following the 10:30 service (rescheduled to February 8 due to weather)

Required business includes:

- + Electing new Session members
- + Electing new Deacons
- + Electing a new Nominating Committee
- + Empowering Session to approve the minutes of the Annual Meeting

Note: The Pastor's salary and benefits package is generally approved by the Congregation at the Annual Meeting, but since this was done in October 2025 the requirement for Congregation approval will be waived until the 2027 Annual Meeting.

The meeting will be held in the sanctuary immediately after the benediction. After the required business (above), Matthew will invite the congregation to ask any questions of the Session. When questions and answers are complete we will adjourn to Fellowship Hall for the potluck.

Committee chairs are asked to prepare a summary of 2025 activities. Each of these should be prepared as a Word file and emailed to me by Friday January 16. I will email everyone a copy of last year's Annual Report.

All current Session members will serve through the January Session meeting, and until the Annual Meeting on January 25. Members whose terms have expired are invited, but not required, to attend the February Session meeting.

Presbytery Meeting: Saturday February 21, 2026 at Sandia Presbyterian Church in Albuquerque. LPPC sends two Elders as voting delegates.

Health and Safety

Discussion led by Jacque Fletcher

Plans for Health and Safety Committee as Jacque transitions off Session

Recognizing that our “small church reality” often means that relatively few people take on a large proportion of the church’s work, we propose transitioning to a different model:

- We envision that certain critical functions will be handled by specific volunteers (Examples: the AED maintained by Leigh Plante; re-stocking of the first aid kit by Jacque; responsibility for assuring that Sexual Misconduct Training is provided to LPPC employees (Judie) and leadership (Pastor Matthew).
- New and/or developing projects would be organized by multi-person task forces (Examples: completion of a plan for violence in the church by Bob Davey and Pastor Matthew); "Thriving LPPC Seniors" to be developed by Carl, potentially with Reta, Dana Howarth, and Deacons.
