PASTOR'S REPORT Rev. Baugh

The water issue for Sunday June 7 was resolved by the end of the worship service.

Matthew's vacation proposed for June 18 - 22 and July 29 - August 3 was approved.

Matthew has been talking with Ruth Allen about summer activities and Confirmation for 5 youth.

Ordination for the new Deacons is scheduled for June 21.

OLD BUSINESS:

Worship and Music:

Discussion led by Judie Hendry

Discussion of selling David Kramer works of art donated to LPPC, as well as Fair Trade Coffee and coffee and chocolate, at the Holiday Fair in November.

The flow of the service could be made better if the bell for worship would be rung 5 minutes prior to the start time of the service, so that the service could be started promptly at the appointed time.

Deacons need help to set up and clean up after funerals and other events. Lee said that Wendy Ingram has a list of volunteers who might be able to help the Deacons, but that the list might be a year old.

We should set up an assignment schedule for Zoom readers for Sunday worship. Rev. Baugh will get the scripture reading for Judie Hendry to assign to a zoomer each Tuesday before the next Sunday worship service.

Don Turton asked about an in-person Session meeting with the Ferrells that was discussed at the May Session meeting. Don suggested recognition of the Ferrells for all their work with LPPC to send Dignity Kits to the border with Mexico.

Linda Davey and Judie Hendry will report back to Session on when and how the Ferrell Appreciation Event will happen.

NEW BUSINESS

Finance

Discussion led by Steve Chewning

The Bike Path Grant was returned to the State of New Mexico by check.

Finance is investigating to determine the correct balance of the Endowment Fund.

Building

Discussion led by Don Turton

The well malfunctioned and water flooded the well house, and water to the church had to be turned off. Don said the same thing happened around MLK day and that the same company fixed it then. There may be some kind of warranty to cover the most recent repair. There was a question as to whether contaminated water got into the water line.

We have not yet received the bill for turning on the evaporative coolers.

CALENDAR
