We would love to assist with speedy registration. If your child(ren) plan to attend Sunday School in June, PLEASE sign-up on sbcentral.life each week. If you could sign-up by Wednesday of each week, we will be staffed appropriately and will be able to have your registration stickers pre-printed!

Thanks so much!

SUNDAY NURSERY/PRESCHOOL DROP-OFF and PICK-UP PROCEDURES

To keep our Preschool Wing as germ-free as possible, no parents will be permitted in that hallway. Drop-off and Pick-up will take place at the table outside the church office door. There will be greeters and teachers awaiting your children's arrival and we will be happy to walk them to their classrooms. **WE WILL NOT USE PAGERS.** When you sign-in and receive your child's nametag, please make sure your cell phone number is correct. We will contact you on the cell number listed if needed. For pick-up we ask that you walk around outside to the same location. Please do not walk down through the preschool hallway. Thank you SO much for your help with this!

Please strictly limit children's personal belongings brought into the building. Each child is encouraged to bring a water bottle labelled with his/her name to avoid use of all water fountains.
