

THE AGAPE CONNECTION

LA CONEXIÓN ÁGAPE

OCTOBER 22, 2026 • AGAPE MEMORIAL UNITED METHODIST CHURCH
One Church. One Path. / Una Iglesia. Un Camino.

Pastor's Corner / Un Mensaje del Pastor

Dear Agape family and friends,

One thing I keep rediscovering is that God has given every one of us something worth sharing. Some of us sing. Some encourage. Some serve quietly behind the scenes. Others have the wonderful gift of making people feel welcome.

This Sunday, as we gather for Sing Sunday, we'll celebrate those gifts through music and fellowship. But here's something I hope we'll always remember: Church isn't simply a place where we gather with people we already know. It's a community where we make room for people we haven't met yet.

Whether you've been part of Agape for decades or you've never walked through our doors, there's a place for you.

Grace and peace, Pastor Tito.

Querida familia y amigos de Ágape:

Hay algo que sigo descubriendo: Dios nos ha dado a cada uno algo valioso para compartir. Algunos cantan. Otros animan. Algunos sirven silenciosamente. Y otros tienen ese hermoso don de hacer que las personas se sientan bienvenidas.

Este domingo celebraremos esos dones a través de la música y la comunión. Pero recordemos algo: la iglesia no es solamente un lugar donde nos reunimos con quienes ya conocemos. Es una comunidad donde hacemos espacio para quienes todavía no hemos conocido.

Ya sea que lleves décadas en Ágape o que nunca nos hayas visitado, hay un lugar para ti.

Con gracia y paz, Pastor Tito.

Our Wesleyan Roots / Nuestras Raíces Wesleyanas

John Wesley understood that faith grows through relationships. Early Methodists gathered in small groups where they encouraged one another, prayed together, and asked an important question: How is it with your soul? / ¿Cómo está tu alma? This week, consider asking someone how they're really doing. Then give them the gift of listening.

Stewardship Moment / Un Momento de Mayordomía

Generosity isn't measured only in dollars. Sometimes the most meaningful gift we can offer is ten minutes of our undivided attention. This week, give someone your time. Listen without rushing. Encourage someone who needs it.

La generosidad no se mide solamente en dinero. Esta semana, regálale a alguien tu tiempo, tu atención y una palabra de ánimo.

Leadership Corner / Rincón de Liderazgo

Good leadership isn't about being the person who does everything. It's about recognizing the gifts of others and helping those gifts flourish. At Agape, we're building a community where everyone has something meaningful to contribute.

El buen liderazgo no consiste en hacerlo todo, sino en reconocer los dones de los demás y ayudarles a desarrollarlos.

Let's Pray Together / Oremos Juntos

Whatever you're facing this week, you don't have to face it alone. We would be honored to pray with you and for you. Send your prayer requests to pastor.agapechurch@gmail.com. Your requests will be treated privately unless you give permission to share them.

Nos encantaría orar contigo y por ti. Puedes enviar tus peticiones de oración al mismo correo electrónico. Las trataremos de manera privada, a menos que nos autorices a compartirlas.

A Little Encouragement / Una Palabra de Ánimo

Reach out to someone you haven't spoken with in a while. A phone call, a text message, or a few kind words might brighten someone's entire day.

Un pequeño gesto de amor puede hacer una gran diferencia.
