

Marysville Free Methodist Church

Pastor Profile

5/1/2018

Our mission is to creatively lead people to Christ and enfold them into a growing community of Christians, by creating environments that develop passion for Christ, His call, His community and His causes.

We solicit our Pastor to be one who loves Jesus Christ and strives to share the joy and faith of this journey with everyone. We covet one gifted in bible based teaching and preaching and prescribes to the Wesleyan doctrine.

We seek one who will accept our mission statement as their own by identifying and developing ministry leaders. Challenging and encouraging our body of believers to carry the torch of our mission statement from one generation to the next.

Our desire is to be the Church on the Hill, a beacon of light, that reaches out to our community with loving strong sustaining action, therefore we desire a shepherd that has intentional ideas and vision for growing our church body to become active members of God's church.

We look for a visionary leader who will champion our church family as we grow our Children, Youth and family programs.

Our church family is composed of multifaceted generations and we seek a pastor to cultivate sincere passion for our entire congregation and its many ministries and programs.

We want our pastor to have visionary oversight in the quality, style and details of the worship music and the church services.

It is essential that we have a pastor who has the love, energy and vision that reaches outward into our local community and global mission as illustrated by the Wesleyan teachings.

We would like our candidate to know that our church family will work faithfully alongside you. We will continuously pray for you and encourage you. We stand behind the Wesleyan philosophy that the love of God "reigns supreme in our hearts" an action shown by loving our neighbors as ourselves. Therefore, we will reach out; with your leadership, in love for one another, to our local and global communities.

Marysville Free Methodist Church is a member congregation of the Pacific Northwest Conference of the Free Methodist Church. Any Lead Pastor candidate must be in harmony with Book of Discipline of the Free Methodist Church.
