

West Seventh
Church of Christ

There are some who should continue to worship at home:

- Those who are 65 and older
- Those with chronic health conditions
- Those who are sick

For those who choose to worship at the building during phase one:

- We will use prepackaged communion sets.
- As you enter the Auditorium, there will be a table with communion sets, bulletins, contribution receptacles and masks.
- If the Auditorium fills – we will use the Gym for overflow.
- Please arrive early to prepare and so we can know if the Gym is needed.

For the most part, worship will be as usual. However, there will be no passing of communion trays or contribution trays – everyone will pick up a prepackaged communion set as you enter. Deacons will be serving by filling the roles of greeting, ushering and being available to answer any concern. After communion, they will come to where you are sitting to collect the empty communion sets.
