

Santa Monica Republican Women Federated

Courageous Conservative Award Nomination Form 2021

Since 2018, the Santa Monica Republican Women Federated (SMRWF) club has recognized an outstanding young conservative each year who demonstrates courageous action and leadership as a conservative in public—be it at school or in the community at large. The recommended age for the nominee should be under 30. The award is typically presented at our June meeting and includes a framed certificate and a cash prize.

We are calling for SMRWF nominations to be submitted **by May 20** using this form or providing the information on this form to Laurie Winters at winters1234@verizon.net.

The awardee will be selected by a SMRWF committee who will review all award nominations and each candidate's completed application at our June meeting.
