

HOUSE OF HESED

...a place of loving-kindness

Hesed is a Hebrew word used in the Old Testament to describe the eternally loyal, lavish, extravagant, unrestrained, compassionate, merciful love of our Father God. As recipients of this divine love, we desire to emulate His compassion in our attitudes and actions

For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called **Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace.** Isaiah 9:6

A CURRENT RESIDENT 'S STORY

I was diagnosed with HIV 15 years ago. I went in for routine blood work and then my doctor said he wanted to see me. That's when I got the news.

I didn't tell anyone because I was ashamed and thought that no one would want to be around someone, like me who had this disease.

I wasn't doing too good on my own. I wasn't taking the medication or going to my appointments. I needed help managing my health.

Someone told me about House of Hesed and they had a room for me so I moved in.

Since living at House of Hesed my health has really improved, I take my meds and go to my doctor appointments.

I love living here, the food is great, I like having company around. We have fun and I feel safe.

This place is run really well!

I want to thank all of you who support this House of Hesed so we can keep it going. We need this place!

In memory of Jennifer Gibson

Our beautiful, “Cupcake Lady” who passed away suddenly on
Thursday Oct. 22, 2020

Jen, never missed delivering her beautiful homemade cupcakes for every holiday.

She loved baking & cooking for us

Jennifer was a force of nature and didn't know how to take no for an answer
when it came to raising money or awareness for HeseD and other ministries.

For the past 12 years Jen was one of greatest supporters and champions for this ministry.

Jenifer, you are greatly missed by all who love you.
