

It's summertime at the House of Hesed and the living is easy....our big beautiful front porch has become an extension of the indoors. Without a doubt someone's out there right now, enjoying the breeze or a nap on one of the couches. "Peace" is the word God seems to be whispering, and we are thankful.

What's going on at the House of Hesed these days, you ask? Well, here's a little update.

We are at full capacity with 10 residents. A wonderful family dynamic is being built and is exhibited by the pride residents are taking in their home and in the way they care for each other, All are loving the warmer weather and most of them like to be out and about during the day. We are continually amazed at the transformations we see in all of our residents. Please continue to pray for health, provision, and healing for all of our residents and staff at House of Hesed.

House of Hesed is blessed to have two new staff who came on board earlier this year. Danny Brock, Evening and Overnight Supervisor, and Sarah Froese, Overnight Supervisor, are compassionate, hard-working, God-loving people who have easily fit into the life of Hesed. They are already well-loved by the residents and we pray that they will experience more of God's love and blessing during their time here.

As Volunteer Co-ordinator and on behalf of everyone at Hesed, Colleen would like to thank all of the volunteers she has gotten to know and ones that she never gets to meet (though she does hear lots of good things about you!). We rely on you for things big and "small" and without you we would never be able to do what we do. Thanks for keeping the house and yard maintained and looking great, for coming to pray and connecting with the residents, for bringing goodies and meals, for keeping the plants alive, for keeping our house-bound residents in good company, for lifting our spirits.....the list goes on! May you feel the warmth of God's smile on your lives.

Our 4th Annual Dessert Fundraiser was a great success. We raised just over *\$12,000. It was a beautiful evening of family and friends and lots of new faces that Hesus staff and residents were very pleased to meet. Our speaker, Rauni Saulminen, was phenomenal. The Silent Auction was a great success. The dessert was amazing and the company was even better. Our residents had a wonderful time. We'll see you all next year for our 10th anniversary celebration!!

**Note: \$12,000.00 in donations is a great blessing to House of Hesus. However, the cost of running our house for one month is just over \$13,000. Please keep us in your thoughts and prayers this year as we at Hesus continue to have faith in God and His provision for our residents.*

Several friends of Hesus have asked if our office can do **pre-authorized payments**. YES WE CAN!!! Pre-authorized payments are donations to House of Hesus that would come directly out of your bank account each month. It's simple and hassle-free and a great way to save paper (less cheque writing, envelopes, and postage!!). We are so grateful for each and every dollar we receive, however, we are always in need of donors who are able to support us **monthly**. Please contact us or the New Direction office for more details regarding this service.

THANK YOU

A big thank you to all the volunteers who helped with preparation and set up for our 4th Annual Dessert Fundraiser. We are so thankful for your time and talents.

Thank you to every individual, corporation, and establishment who donated prizes for our Silent Auction.

Thank you to the staff at Fort Garry Place for the beautiful work your team did. The table settings and your first-class service of our guests throughout the evening did not go unnoticed.

Thank you to our speaker, Rauni Saulminen of the Philip Aziz Centre in Toronto. We can't wait to have you back again.

For more information on the Philip Aziz Centre, please visit www.philipazizcentre.ca.

Thank you to our musical entertainment Bryn Rieger and Rob and Colleen Kwade.

Thank you to members of our staff and residents both past and present who donated their time and efforts to this event.

And thank you to our generous donors. You are such an integral part of Hesus. Each dollar you give allows us to continue the good work we do for our residents and for Christ. Without you, there would be no Hesus. We are eternally grateful for each and everyone of you.
