Dear School Family:

Welcome to our 28th school year. God has been so incredible to our school and we are excited to see his plan unfold for this school year. We continue to strive to provide an excellent academic program for our preschool – High School students.

The tradition of Christian education and academic excellence continues at Southport Christian School. We have stayed true to our original goal to ensure our students receive an outstanding education in a godly, loving classroom environment, rooted in the truth of God's Word. This has never been more important as the cultural landscape continues to change in our culture and our country. We strive to never take for granted the freedoms granted to us as Americans. Our goal is for every student to thrive, grow and develop his or her gifts and talents. Our prayer is that every student would develop a Biblical Worldview to evaluate and measure everything through the lens of God's Word. Thank you for the honor and privilege to serve your family this school year. Your student's success depends on our partnership with each of you and we appreciate your support and participation.

In His Service,

Lisa Kjome

STATEMENT OF FAITH

Deuteronomy 6:4-9

“Hear, O Israel: The Lord our God, the Lord is one. Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the door frames of your houses and on your gates.”

Southport Christian School's statement of faith strives to highlight the core biblical values of our common faith as followers of Jesus Christ. We do not seek to advocate or endorse any particular church or denomination but to simply communicate who we are as a school. As such, we present the following statements as the spiritual foundation upon which our school is based.

We Believe . . .

- that there is only one true and living God, who exists in the form of the Trinity; God the Father, God the Son, and God the Holy Spirit.
- that Jesus Christ was born of a virgin, lived a sinless life, was crucified for our sins. He rose from the dead on the third day, ascended into heaven and sits at the right hand of God the Father. Jesus is alive today, He is the only hope for our salvation and He will come again to judge the living and the dead.
- that the Bible, both the Old and New Testaments, is the inspired, infallible and authoritative Word of God. The Bible is the foundation of Christian education, values and ethics.
- that the model by which we are to live our lives is Jesus Christ as He is revealed to us in the Holy Scriptures.
- that prayer is a powerful tool available to all Christians to effect personal and corporate change and should be practiced regularly.
- that the value of each person is evident in that God created us in His own image, and in that Christ died for us. Therefore, every person, regardless of race, gender, creed, economic condition, or nationality possesses dignity and is worthy of respect and Christian love.
- that the events taking place in the world around us should be viewed and understood in light of God's Word, as it is our supreme standard.
- that **JESUS IS LORD!**

MISSION STATEMENT

The Christian school is an extension of the home and church, and is established to educate students in the knowledge of God and the Scriptural way of life. By providing the highest standards for intellectual and spiritual learning, our goal is to equip each child with the necessary tools to effectively pursue the profession or vocation to which the Lord will lead.

PHILOSOPHY STATEMENT

The philosophy of Southport Christian School is based on a God-centered view that all truth is God's truth, and that the Bible is the inspired and the only infallible authoritative Word of God. Our aim socially is to provide a Christian perspective on the total world view from which will come a balanced personality and a proper understanding and acceptance of a person's role at home, at work, at play, and at worship -- all grounded in the Christian concept of love.

This philosophy channels our energies to promote high academic standards while helping the students to achieve skills in creativity and critical thinking using the best integrated curriculum available. The objective of our instructional program is to enable the student to pursue the post-secondary education of his or her choosing, whether in college, university, or in vocational training areas.

Our responsibility for the student encompasses the spiritual, mental, intellectual, physical, social, and emotional areas. It must be our aim to shun the tendency to teach the Bible compartmentally or on the intellectual level alone -- Scripture and Biblical truths must be woven throughout the total curriculum. While the education of children is the responsibility of parents, the school functions as an agent for parents and teachers to work cooperatively in every phase of each student's development and also to improve the overall process of Christian education.

Safe Place DISMISSAL PROCEDURES AND POLICIES

CAUTION:

The Sherriff's Department provides a voluntary officer during arrival and dismissal.

HOWEVER, this courtesy is subject to emergencies that may arise in our area.

BE AWARE: There may NOT always be an officer directing traffic.

1. Parents are to wait for children in their cars. The staff will assist students with buckling seat belts, if needed. This helps expedite dismissal in a safe and orderly manner. We will have approximately 180 students this year. Please make every effort to drive through for your child to be placed in your car. Also, we ask parents to refrain from cell phone use during drop-off and pick-up to assist in the safety of arrival and dismissal.
2. All teachers will bring their students to the front of the school, and have their children wait in line to be dismissed. Do not try to take a child before they have reached the front of the school and been dismissed.

3. If you have children that are dismissed at different times, please wait until the last dismissal time to take children.
4. The playground is closed to all children except those in Afterschool care or staff at 2:30.. This is for safety and liability reasons.
5. If a child is not picked up by 2:50pm they will be taken to Afterschool care. They will be charged the \$10 daily childcare fee. If this occurs more than once, you will be assessed the \$25 registration fee for Afterschool care.
6. If you need to pick up your child early you must come to the office to sign them out. A staff member will go to the classroom to notify the teacher and student and bring them back to the office.
7. **Parents and all Visitors- you MUST sign in with the school office before entering any classroom or school grounds.** Parents are not permitted to visit classrooms without first checking in. Anyone not properly checked in will be asked to leave the school campus.
8. Visitors under the age of 18 must be accompanied by a parent or approved guardian at all times while on school campus.

Southport Christian School is a **Safe Place** School. This policy requires us to call the Sheriff's Department and go into *Lock Down* if our Parent/Visitor sign-in policy has been compromised. This is for your child's safety. We must make these policies a priority this school year. Thank you for your help and assistance.

INCLEMENT WEATHER

In case of ice, snow, hurricane or other inclement weather, SCS will generally follow the schedule of the **Brunswick County Schools**. On bad weather days, check local radio and television news reports to see what schedule is being followed by **Brunswick County Schools**. Parents are responsible for picking up their children promptly on days the school must close early. **Call the school phone number 457-5060 for updates and recordings for closings and openings. Also, posts will be updated on the school's website and Fb page.**

HEALTH INFORMATION

We care about each person in the school (children and teachers) and ask parents to please be conscientious about our health guidelines. If your child exhibits any of the symptoms listed below on arrival to or during the school day, he will be separated from his class and the parent will be called to take him home.

It is important for you to note that we consider all children who are healthy enough to be at school (no fever, etc.) as healthy enough to be out of doors. Fresh air is beneficial to the children's social-emotional, physical, and academic growth. The only exceptions to this policy will be with a Doctor's note.

To maintain good health in the school, **we ask you to keep your child home if he:**

- | | |
|---|------------------------|
| 1. Has a fever or has had one within 24 hours | 8. Vomiting |
| 2. Has a heavy nasal discharge | 9. Persistent coughing |
| 3. Has diarrhea | 10. Inflamed throat |

- | | |
|--|--------------------|
| 5. Stomach ache | 12. Swollen glands |
| 6. Rash (except allergies) | |
| 7. Has a contagious disease (including pink eye and head lice) | |

The following is the exclusion period from school for specific contagious diseases:

1. Chicken Pox: usually 7 days after the onset of the rash
2. Ringworm: when the skin looks pink
3. Conjunctivitis: when redness and discharge has disappeared
4. Impetigo: when skin is dry and pink
5. Fever: when child has been without fever for a full 24 hours
6. Head Lice: The student must be treated and stay home for at least a 24 hour period. They must be rechecked by a school staff member before they are readmitted. The student must be nit-free after the required 24 hour treatment and waiting period.

Our desire is to protect all children and staff from exposure to illness.
Please notify us if your child has a contagious disease or been exposed to Covid 19.

DISCIPLINE

Our heartfelt desire is that all members of the school community including teachers, principal, service employees, and students have the opportunity to live and work in a climate that respects, protects, and enhances the dignity, welfare, and rights of each person. The Bible is clear in its teaching that discipline is a vital aspect of shaping the young life. Here at SCS we will strive to maintain discipline tempered with love and compassion. Behind every disciplinary measure will be a love and concern for the future of our students.

The first level of discipline is in the classroom where the teacher will establish class rules and administer discipline at his discretion within school guidelines. In cases of wrongdoing, a Biblical pattern of confession, repentance, restitution, and restoration of fellowship is followed whenever possible. Parents will be informed of major incidents involving their child and of the disciplinary measures taken in the form of a phone call, a Disciplinary Report Form, or both. The Disciplinary Report Form will outline the offense, its date and time, and the action taken by the principal and teacher. A signed copy of the report will be returned to the principal and kept on file in the child's folder.

The school rules listed in this handbook will be the standard upon which discipline is maintained. Should a teacher feel the infraction of rules is severe enough to go beyond ordinary classroom management, he has several options:

- **Principal Conference** Students who exhibit persistent or serious disciplinary problems will be referred to the principal who, in an atmosphere of Christian love and grace, will use a variety of individually-appropriate disciplinary measures in order to resolve the problem.
- **Parental Conference** Should a child's behavior become extreme, a conference with the parents may become necessary. We will try to give adequate advance notice if and when a conference is necessary.
- **1. In-School Suspension**
- **2. Out-of-School Suspension or Expulsion** The final step of disciplinary measures is suspension or expulsion. If the faculty and principal concur that an infraction is so extreme in its scope that usual class or school measures cannot be used.

The following infractions will lead to suspension or expulsion:

- Possession on school grounds of guns, knives, or explosives of any type.

- Possession or use of tobacco products, alcohol, illegal drugs, or pornography in any form.
- The repeated use of profanity or vulgarity. The willful destruction of school property
- Disruptive or disrespectful behavior towards a staff member or another student.
- Hitting, punching, slapping, kicking, or threatening any type of physical harm to any staff member or student may result in immediate suspension or expulsion from SCS.
- Negative post on a social media site about another SCS student or staff member, regardless of the time of day posted.
- Misuse of digital and technology devices and tools.

The first suspension may be one to three days. A second suspension may be administered for five days. The third infraction may result in expulsion from SCS. The final decision concerning expulsion will be made by the faculty and administration of the school.

Disrespectful behavior exhibited by any student of SCS toward any adult associated with SCS may result in the following:

First Offense: In-school suspension

Second Offense: Out-of-school suspension

Third Offense: May result in expulsion from SCS

Disrespectful behavior includes refusing to do work assigned, talking back to a teacher or staff member, using inappropriate language or gestures towards a staff member, and other acts deemed inappropriate of an SCS student by a staff member or School Board member.

SCHOOL RULES

CHAPEL-The chapel time should become a highlight of each week for the student as school assemblies will provide time for singing and listening to God's Word. These services will be held each Friday.

CHURCH ATTENDANCE

While we certainly cannot make church attendance a rule, here at SCS we do strongly urge that all students attend church regularly. The Christian School is only an extension of the home and church. Church attendance is a vital part of our success with each student.

CONDUCT

Part of the ministry of SCS is to develop in the students the mind and image of Jesus Christ as demonstrated by the fruits of the Spirit. These traits, listed in Galatians 5:22, are our standard of conduct for students. In the same way, as God desires to love His children and have them respond to Him, so we desire to have each student choose to do that which is right. Ideally, obedience to authority should be an act of will.

Students are expected to walk in the buildings, to use moderated voices, and to treat others with kindness and dignity.

- Any and all knives, guns and explosives will be prohibited on the SCS campus.
- The following items will be prohibited on the SCS campus unless approved for class use: iPad, MP3 players, **cell phones**, radios, tape or CD players, videotapes, roller skates, scooters, toys or sporting equipment, and hand-held games. Student cell phones MAY NOT BE USED during school hours. All phone calls to parents should be made by an adult staff member.
- In order to safeguard and protect our school furniture, equipment, and carpeting, there is to be no chewing gum on school property.

STUDENT CONFERENCES

The principal is available during certain periods of the day to listen to student problems. You may call the office to schedule an appointment with the principal. Please be assured that the content of such conferences is kept in strict confidence. If a student reveals information that in the principal's opinion and discretion raises concerns for the safety and/or emotional stability of the student, that information may be revealed to appropriate officials and/or the parents.

MAINTENANCE OF PROPERTY

SCS belongs to God. The way our property is maintained will affect the school's testimony in the community. Each student, parent, and teacher is expected to help maintain the facilities God has provided for us. In the event of damage done through mischief or willful vandalism, the parent will be responsible for restitution.

PROCEDURES TO FOLLOW FOR CONCERNS OR COMPLAINTS

Requires parents to exhaust all avenues to resolve issues at the lowest level of authority.

Based on the Matthew 18:15-18 principle, three practices to control conflict are required:

1. Concerns are directed immediately to the person who is the object of the complaint.
2. If someone insists on filing a complaint, it is required that it be in writing, with a copy given to the principal.
3. Before anyone reviews the complaint, allow the person to compose a written response to go with it.

BIRTHDAYS

Students are welcome to bring in a birthday snack for the class on their birthday. This works well for lunch time, or snack time for PreK and K. The birthday snack is not to be a birthday party. A cake or cupcakes are sufficient. No gifts or party favors are to be handed out during this time.

Also, do not bring birthday invitations to school, unless every child in the class is invited. Thank you for your thoughtfulness and consideration.

HOMEWORK

Students can expect some homework at grades K-5 on Monday, Tuesday and Thursday evenings (approximately 10-15 minutes per grade in school-e.g. 10-15 minutes for first grade, 20-30 for second grade, etc.) If a student is not diligent at completing required daily assignments, make-up work to be completed at home may be quite heavy. The Upper School may be assigned homework Monday – Thursday.

LUNCH

Students are required to bring individually wrapped lunches. We encourage parents to provide nutritious lunches for the students- **NO SODA OR CANDY PERMITTED.**

All lunches must be sent to school in a lunch box. Parents should refrain from bringing lunches from fast food places, due to the importance of nutrition. Some lunchables are not acceptable-due to the candy and soda included. **Refrain from microwaveable lunches. Too many students bringing them does not allow your child enough time to heat their lunch and eat it in the designated 30 minute lunch schedule.**

PARENT – TEACHER COMMUNICATION

All elementary students will receive a class newsletter each week on Monday. It is VITAL that you read your child's newsletter each week to keep informed of classroom activities, projects, assignments and field trips. This is the main way teachers communicate weekly with their parents. The Upper School students will use their Daily Planner for assignments and test dates.

Also, you will receive a School newsletter every Friday. This will include school-wide activities, schedules and other important information. Please read this newsletter each week to stay informed about special events and schedules. It will be posted on the SCS social media sites and emailed to all parents.

One of the strengths in the total education of a student is the close cooperation between the school and home. Both students and parents should feel free to meet with a teacher or teachers. Conferences may be necessary from time to time. When parents desire direct communication with a teacher, please telephone the school office and leave a message for the teacher, who will return the call. A faculty member and/or the principal may request conferences.

REPORT CARDS

Formal reports are sent home with students at the conclusion of each report period. Final report cards will be sent home. (See calendar for specific dates.) Each report period is approximately nine weeks in length.

GRADING SCALES

Students will receive letter grades. Grades are also given for effort, conduct and work habits.

PROMOTIONS

Parents will be notified about progress and readiness for promotion. If there has not been adequate progress made by the fourth quarter, a conference will be held with the parents and the principal concerning possible:

1. Retention of the student
2. Summer tutoring options
3. Private tutoring
4. Dismissal to another school

Any student absent for more that 10 school days during the school year will be evaluated for possible retention.

TESTING

Each spring, a nationally standardized achievement test will be administered in grades 1-11. Additional testing may be done when individual evaluation is necessary. Parents will receive notification prior to the administration of all standardized or individual testing and will receive the results of all such testing.

MIDDLE SCHOOL UNIFORM DRESS CODE

All students should be dressed in a neat, clean and presentable manner. Clothing should not be too tight or too big/baggy. Extremes in hairstyles will not be permitted. Students are required to have their shirts tucked-in and shoelaces tied.
