

## Letter from Pastor Alan

Hello PKC Parents and Guardians!

First, I want to personally welcome the First-grade parents and students! I am so excited to have new faces and smiles here at PKC. Our First-grade teachers are ready and well prepared to welcome their students. We have 22 First-graders coming up this year and there will be three First-grade classes. The first-grade teachers are Jeanam, Jonathan, and Cecilia. Jeanam teacher has been serving PKC since 2009, he's truly a faithful and wonderful servant of God. Jonathan teacher joined PKC in 2015, he majored in Biology and now he is pursuing his Master's for Medical School. Cecilia teacher is our newest member in PKC, praise the Lord for NEW TEACHERS! She loves to bake and has been baking lovely cakes for our Friday night birthday celebrations. She is faithfully serving with her husband Cesar and their son Bianco is in Second grade. We are always in need of new teachers, so if YOU are called to teach and have fun with the little ones in PKC, don't hesitate to visit us or to talk to me. Please feel free to stop by their classes and introduce yourselves and/or share about your child to the teachers. They'd loved to know more about your child and do everything possible to make Sunday Funday in Christ!

VBS registration is open now! We made a slight adjustment with the time, so please see the new revised VBS announcement below. Space is limited to first 400 kids, so please sign up quick!

Thank you again for your continuous support and prayer for PKC and my family. We are truly blessed to serve in this ministry and being surrounded by great families like you. Please continue to pray for me and my family to continue to serve God faithfully and unconditionally. And don't forget to pray for more teachers!

Please check your email or check our website at [www.promisekidcity.com](http://www.promisekidcity.com) for updates.

In Christ,  
Pastor Alan

### Father's Day Bounce House Extravaganza:

Even though the sun was beaming strong and the bounce was hot, we hope kids and parents got to enjoy some family fun time. Even with the heat, kids were being kids and I loved seeing them smile and happy. Thank you parents for participating and allowing the kids to enjoy this event.

### Family Holistic Healing Retreat:

For those families who went to Family retreat, we were so blessed and received much Holistic Healing! We thank God that we had a safe and sound trip. It was a true blessing to see families spending time together.

## GIANT – Lessons from David and Goliath

We are starting a new series starting in July, GIANT—Lessons From David and Goliath

David and Goliath is one of the most classic stories in the Bible. It has been one of the favorites of children of all ages for centuries. Often when we read or tell this story, we miss some of the key lessons we can learn from it.

In this series, we focus on this story in multiple parts and from multiple angles. There are many lessons that the children will learn that will help them discover the inner "giant-killer" in themselves.

We pray God will use this story and these lessons to help inspire the children to take on their biggest fears, issues, and problems. It is then God can use their stories to encourage other children to do the same thing.
