

Promise Kid City Newsletter

May 2019

Letter from Pastor Alan

Happy May everyone! What an eventful month we had in April. We had our Good Friday Service / Egg Hunt with over 90 children attending. We celebrated Easter and followed by Kids Ecclesia #9. It was such a blessing to serve the children in God's love. Even though there were many spiritual battles throughout the Kids Ecclesia, God always wins. Few kids were sick / got hurt during Kids Ecclesia, but by God's grace, they were all healed and everyone got to finish Ecclesia. Many children were touched by God during prayer time. Some children saw visions from God. We cannot limit what God can do for the children. Our God is a God who can do the impossible.

I was also so blessed by the way how all the volunteers served. There was no one who complained or who I saw with a sad or tired face. Everyone served so joyfully. I also want to take this time to thank moms and dads who came to serve at Kids Ecclesia, whether it was cooking, cleaning, and/or helping us move things. Thank you for serving all our children and volunteers.

Personally, my next big event is to get ready for my little princess daughter to be born this month. She is ready to come out any minute. We are not sure how to handle 3 kids, not sure how some of you parents do it with 3, maybe you need to give me some tips but please pray for my wife and my family as we are making this transition.

For this month's newsletter, I would like to get some feedback from you to improve and improvise upcoming newsletters. I want to ask you to fill out the questionnaire and return to your child's teacher as soon as possible. You don't have to write your name. Please be honest as possible. Thank you in advance for your time and cooperation.

P.S. As we celebrate Mother's / Parent's Day, I want to thank you and acknowledge you for your commitment to bring your children to PKC every Sunday. God knows your heart and your hard work. Thank You Parents!
