

10 Tips for our Guilt Free Potluck

1. If you don't feel up to cooking on meeting day, just come, there will be plenty.
2. If you would like to buy a dish from the local grocery, do it.
3. Not a cook or too busy? Ingredient donations are always welcome.
4. We will not need a dish from everyone each month.
5. Come as you are - with or without a dish or donation.
6. Your friends and family are always welcome.
7. Plenty to share and all you can eat.
8. Leftovers you cannot use will be donated to a Homeless Center.
9. Meat, lettuce salad and drink provided.
10. We love you and just want you to come for a great time!
