BIRTH THROUGH 5TH GRADE

We use the Gospel Project for Kids curriculum from LifeWay as we dig deep into the Word of God! This material walks through Scripture chronologically and covers the entire Bible in three years. Every lesson, whether from the Old or New Testament points to our Savior and Redeemer, Jesus Christ.

You won't want to miss this! Through music, games, teaching, crafts and more, we are learning something new about the One True God every time we meet!

THE GREAT PURSUIT

MISSIONS THROUGH FBC

WHAT IS THE GREAT PURSUIT?

Jesus gave His disciples and us today the task to make disciples of all the nations, by teaching and baptizing them (Matthew 28:18-20). We also can go to the end and find that around the throne, there will be people from every nation, language, people, and tribe worshiping the Lord (Rev. 7:9). The Great Pursuit is the time we find ourselves in now. The in between time. Yet, we have a commission to fulfill. We have a problem to solve: lostness.

In an effort to help solve the world's greatest problem, in June we will collect an offering to help send people from FBC to the nations. This annual offering is called *The Great Pursuit Offering*. This offering will help offset the costs of sending our people to the world's darkest places, to declare His glory and grace. The offering will also help send families out from our church to the nations.

Our goal for *The Great Pursuit Offering* is \$15,000. Will you join us as we seek to solve the world's greatest problem?
