

## The Gregg Library

Rev. James Gregg  
1882-1909

Named after its benefactor, Rev. James B. Gregg, the Gregg Library is located on the second floor of the West Building. We hold some 2900 books, CD's, DVD's, and other miscellaneous audiovisual materials. The collection is unique – some titles have been here over 100 years. Other titles and memorabilia have been donated to Special Collections housed in the Tutt Library at Colorado College.

Our major goal is to enhance the total ministry of the First Congregational Church – our ministers, Children's and Family Ministry, group leaders, appropriate staff, and all interested members of the church. Current focus is to support our rapidly growing Kids Community Worship, Sunday morning adult education classes, and the James W. White Lecture Series.
