# Fourth Grade Facts

## This Week in Mrs. Kelley's Class...

**Bible:** We will focus on how we are created in God's image. There will be a **test** on Friday.

**Math:** We will continue our geometry chapter. We will learn about angles, triangles, perpendicular lines, and congruent & similar figures.

**Spelling:** Our spelling words are long O words this week. Our **TEST** will be Friday. 3x each is due Wednesday.

**Language:** We will learn about dependent and independent

clauses and complex sentences. There will be a **TEST** on Friday.

**Reading:** We will start reading groups and a new book! We will be reading *My Side of the Mountain*.

**Science:** We will continue in Chapter 3: Diversity of Life. We will research the unique ways some animals acquire blood and animals that go through metamorphosis. We will also look at unique ways animals respond, how animals survive in unique habitats, how different

animals use different parts of their body to do the same things.

We also will read about different fossil types.

...Whatever you do, do it all for the glory of God. 1st Corinthians 10:31

### Special points of interest:

- ☺ 10/15-10/16 Fall Break
- ☺ 10/19-10/22: Parent Teacher Conferences

### Memory Verse:

So God created mankind in his own image, in the image of God he created them; male and female he created them.  
Genesis 1:27

## Other Information

### BOOK TASTING

We will have our book tasting next **MONDAY**. Usually this would be something I would keep set up so you could come take a look but...**COVID**. Please make sure your child completes their book report and turns it in by Monday, October 12th.

Conferences are in 2 weeks. Please check your email this week for the sign up genius and pick a time that works for you.

Fall Break is next week (Thursday and Friday)!

There will be a substitute teacher **NEXT Wednesday**.
