

CLEAR CREEK CHRISTIAN SCHOOL FOURTH GRADE CURRICULUM

Clear Creek Christian School exists to provide an excellent spiritual and educational environment to equip students to fulfill God's purpose in their lives.

<p>BIBLE</p>	<p>LANGUAGE ARTS</p>	<p>READING</p>	<p>MATH</p>
<p>Students start the year learning the Bible is TRUTH. They learn attributes of God, about sin nature, salvation and finally how to take the truths we learned all year to share with others.</p> <p>*ACSI Purposeful Design</p>	<p>Fourth grade students apply their reading skills in every subject. Vocabulary & comprehension skills are integrated throughout the curriculum. We teach the various writing genres. Students also gain skills in identifying types of sentences and the parts of speech.</p> <p>*Loyola Press</p>	<p>Students learn characterization, reading skills, & higher level thinking through novel studies using a variety of genres, through a Biblical worldview. Students will complete an independent reading project each nine weeks that focuses on the different genres.</p> <p>*Novel Studies</p>	<p>Fourth grade students gain skills in numbers, place value, addition, subtraction, multiplication, & division. Fractions, measurement (customary & metric), interpreting and writing graphs, order of operations, and geometry are all introduced. Strategies in problem solving are used in all areas of math.</p> <p>*ACSI Purposeful Design</p>
<p>SCIENCE</p>	<p>SOCIAL STUDIES</p>	<p>MIND MAZE</p>	<p>LIBRARY</p>
<p>Students learn about the scientific inquiry process. We incorporate hands-on experiments to help with the understanding of the subject matter. Studies include life science, earth & space, and the human body.</p> <p>*ACSI Purposeful Design</p>	<p>Students study Indiana history beginning with Indiana's first people and the early discoveries through present day. Students will research a famous Hoosier. We visit the State House after we study our state government. We also learn about the history of the Indy 500 and visit the track.</p> <p>*Silver Burdett Ginn</p>		<p>Library is offered weekly. It is designed to teach students the basic skills needed to effectively use library resources. Our librarian helps inspire a love of reading in each student in order to make them lifelong readers.</p>
<p>ART</p>	<p>COMPUTER LAB</p>	<p>MUSIC</p>	<p>PHYSICAL EDUCATION</p>
	<p>Students will learn basic computer terminology and keyboarding skills. They will be introduced to Microsoft Office Programs. Topics such as Internet safety and cyberbullying will be discussed at a developmentally appropriate level. Students will also create projects using various programs.</p>	<p>The students have an opportunity to glorify God through music each week. They will learn basic music skills through song, movement, rhythmic pattern, tone, pitch, theory, and will learn about the many different genres of music.</p>	<p>Students are challenged to learn and appreciate the physical gifts God gave them. Students utilize strategy, teamwork, and FUN to provide a balanced full body workout.</p>
