#### Book of Revelation

**Beginning Wednesday, January 7**

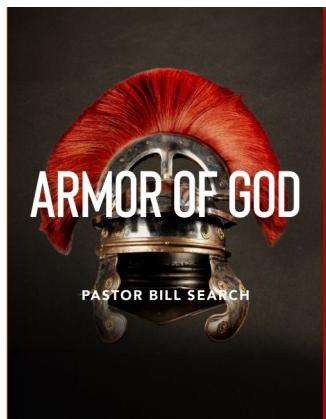

**(Introduction & Session 1)**

**1-3PM, Kidd Street Center**

Are you ready to live fully prepared and  
fully equipped to handle anything  
life throws at you?

As Christians, we can be courageous and  
confident, knowing that God has placed us  
in human history for his purposes, and he will  
empower us regardless of our circumstances.

Pastor and Author Matt Chandler will walk us  
through the book of Revelation to remind us  
of God's fierce, conquering, commanding  
authority over all the earth.

## Renewal

The New Year is a time of renewal for many people. Gyms will be full of people renewing their commitment to exercise. People will renew commitments to read, spend more time with family, and go outdoors. The concept of renewal is biblical and helpful. Let's consider what the Bible has to say about renewal. First, let me ask you a weird question...Have you ever had a brain freeze?

A brain freeze is a rapid onset headache you get when you eat or drink something cold too quickly. The technical name for a brain freeze is sphenopalatine ganglioneuralgia. This occurs when a cold substance hits the receptors in the outer covering of the brain. The cold creates a dilation and contraction of arteries, causing the pain.

Romans 12 leads us to consider a different kind of brain freeze. According to the first two verses in this chapter a Christ-follower's transformation hinges upon the renewing of the mind. Stagnation in sanctification can occur when a believer isn't regularly renewing their mind. The result of this brain freeze isn't a headache, but a heartache. Have you become discouraged due to the lack of spiritual growth in your life? Let's explore what it means to renew your mind as a remedy for this spiritual sphenopalatine ganglioneuralgia.

The Greek word for "renewing" is *anakainōsis* (an-ak-ah'-ee-no-sis). Another English word that could be used here is "renovation." HGTV has made us all too familiar with this concept. Home renovation is essentially out-with-the-old and in-with-the-new in the real-estate realm. This is why our spiritual transformation is tied to renewal in our minds. Affections, passions, and pursuits that were developed in our minds before we knew Jesus are constantly thrust at us by our culture. If we aren't living in a constant state of renovation we can get bogged down by this "cultural clutter."

Titus 3:5 is the only other place in the New Testament that the Greek word for renewal is found. This passage should provide us insight into the process of renewal. The last part of the text says, "By the washing of regeneration and *renewal* of the Holy Spirit." Ray Wilkins writes this about renewal, "This is the work of the Holy Spirit as He reorients us away from the self and toward Christ." **The work of renewal is accomplished by the Holy Spirit.**

Let's connect the dots. How does the Holy Spirit specifically renew our minds? I encourage you to read Ephesians 4:20-30. There is a lot of information in this passage, but I want to point out a couple of realities relevant to the Holy Spirit's ministry of renewing our minds.

**Reality #1 – Christian's are not passive participants in the renewal process.** We are to be actively living out the different ways we've been made new. Notice how this works with the thief in Ephesians 4:28. It's not just that he no longer steals after he is saved, but he works honestly to make a living and shares what he earns with those who are in need. Making good on the biblical commands to be generous and meeting the needs of others is one of the ways the Holy Spirit renews the mind of this redeemed robber. Through his obedience to the Word, the pattern of pilfering is broken by a new way of thinking about possessions. Actively obeying God's Word opens up our lives the Holy Spirit's work of renewal.

**Reality #2 – The Holy Spirit can be grieved** (Eph. 4:30). If we don't do our part, the Holy Spirit's work of renewal will be stifled and the sinful patterns we once involved ourselves in will continue to make a home in our mind.

As you are considering some resolutions for the New Year, resolve to continually renew your mind by taking in and taking seriously the Word of God.

Let this be the year...

Let this be the year that God gets His way in our lives. Let it be the year we surrender our will for His. The year when our loved ones that are far from God return to meet His embrace; His loving, forgiving embrace. Let this be the year that we get out of our own way. Out of our self-made prisons of unforgiveness. Out of our fleshly preferences of comfort and ease.

Yes, let's meet at the altar as a living sacrifice. Paul tells the Romans (and us) that they are living sacrifices and to not be conformed to this world, but to be transformed by the renewing of our minds. What would occur when we stop making the new year about us and our resolutions and instead make it about Him...about making Jesus known? Could revival and awakening happen so easily? Could the simple act of prayer change us, our city, and more? Is God's word still powerful?

Let this be the year we find out. Pray and declare His goodness and salvation. May your 2026 be full of God's presence and the love for the church.
