Parent Information:

Kid's LIFE is a ministry of LIFE Fellowship Church located at the Miner's Square Building in Frederick, CO. Our Christian pre-school program is designed to establish a firm foundation of strong moral excellence that will benefit the child throughout the remainder of their lives.

We believe that each child is a unique creation of God made in His image (Psalm 139).

We believe that each child learns by actively participating, exploring, and discovering (Proverbs 20:11).

We believe that each child grows developmentally (Luke 2:52).

We believe that each child learns by example (Deuteronomy 6:7).

About Our Horizons Curriculum

- The *Horizons Preschool Curriculum* has Bible-based lessons and hands-on learning activities that give preschoolers an introduction to social studies, language arts, math, phonics, and science.

-In addition, the children will learn to use the Bible in their own lives. The Beginner's Bible is a picture Bible study series geared just for them.

For any questions or to request information, please contact our Director, Katherine Busbee, at 727-421-9039. Katherine will be excited to answer any questions, talk with you about your child, and help your family become part of our school community! Welcome to Kid's Life Christian School!
