Dear Coworkers in Christ,

I am delighted to inform you that Cleveland State University has determined to be at **full capacity** this fall semester - full classes on campus, full residence halls, full athletic events and full student activities. Campus Bible Fellowship will be fully operational as well, ready to seek and to see saved those who need to know Jesus Christ and to equip a generation to follow Him with all their heart, with all their soul, with all their mind and with all their strength.

After having limited access to students for more than a year, I am so very grateful for the anticipation of being at full capacity again. I can't predict what ministry will be like. The pandemic has impacted young adults greatly. They are not the same as they were in March 2020. Will they desire to be more involved than they were before? Or will they be even more cautious than they were previously? The Lord Omnipotent knows!

One thing I know is that for there to be a bountiful harvest in the fall we must sow bountifully in prayer over the summer, asking God to prepare the hearts of individual students and to bring those students in contact with CBF. Pray also that God would give direction to my preparations for the fall.

For two weeks at the end of June I will be on vacation with a friend and on the side filming some discipleship videos in beautiful locations in Vermont and Maine. Then in early July I will be at Baptist Mid-Missions Annual Conference in Elyria, OH where we will thank God for 100 years of ministry. It should be a great celebration.

After that I will have 6 weeks to prepare for the start of fall semester on August 23rd, to produce videos and to reconnect with returning students. Please pray for many opportunities during those weeks.

I am grateful for your partnership with me in impacting Generation Z with the Gospel of Jesus Christ. Your faithfulness has kept me well supplied. I know some of your churches have gone through deep waters this past year. I am praying for our Mighty God to revitalize you and that your fellowship with Him through the Holy Spirit will bring you great joy.

Yours in Christ,
Mary Amesbury
