

## Flash Info

- ✓ Thank you from the bottom of our Hearts for your faithful prayers and support. Because of you Yvette and I proudly call ourselves: God's own emissaries.
- ✓ We sent out our recent newsletter on February 28<sup>th</sup>, and if you did not receive that, please let us know and we will make sure you are on our official mission mailing list.
- ✓ We opened **Grace Hospital** on February 2<sup>nd</sup> and had to leave two days later against our wish to come here. So, please prayerfully consider the needs we have toward the hospital, especially keeping it running in the next 6 months. You remember that little girl whom the mom was trying hard to rest to sleep in her dark room. "Honey, Jesus is here in the dark with you even if you don't see him". The little girl replied "Mom, I know that! I just need a person with skin on". Yvette and I feel like that little girl, we need more than prayers...for Grace Hospital, we need prayers with skin on (money).
- ✓ We would appreciate your prayers as we travel tomorrow to Chattanooga, Monday 4<sup>th</sup> and see my (Kokou's) eye retina specialist on the 5<sup>th</sup>.
- ✓ And not the least, we do not have a vehicle to drive yet, and imagine what a heavy financial cross we carry renting a dependable vehicle! Anyone anywhere who has an extra vehicle to lend us till mid-June, will be doing God and us a tremendous favor. Thank you!
