*Resurrection Week, 2024*

Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this? John 11:25, 26

Dear Loved Ones,

All through the hills and mountains of the many SE Asian nations where our ministry of training pastors and church leaders has reached, the happy sounds of rejoicing at the Good News of Jesus Christ's resurrection reverberate among the mountain tribal believers!

We have just returned from our 3-week plus journey to our favorite SE Asian nation, where we had the joy of providing two intense Biblical courses to nearly two dozen attendees from four different tribal groups. Sam, our competent translator and son-in-the-faith efficiently communicated the materials presented, and Phuoc, our other ministry partner and evangelist, left after the classes to travel to the northern border (with the giant Asian country) to carry the same material to believers who don't have access to such training.

We send a huge thank-you to a large number of faithful supporters, for your generous participation in obtaining a reliable automobile for Sam's use in traveling to and from mountain areas. He carries Bibles and hymnbooks, as well as continues teaching course materials to the poor tribal believers who have no other Biblical input than what their pastors can communicate. Sam was so grateful that the Lord allowed us to carry your donations directly to him, and be there to help him pick out the reliable car he will be using.

Finally, please accept our grateful thanks for your fervent prayer on our behalf, for your expressed love, and for your financial support for our continued ministry!

With love,  
Dave and Debbie Nunemaker
