“Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not.”
Jeremiah 33:3 April 4, 2024

To all our supporting churches, praying friends and precious family,

We praise the Lord for His wonderful works on the cross, and His resurrection which we just celebrated on Easter! Yes, the Lord answers prayer! May the Lord help us to pray! Because God promises “Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not.”

God is at work in this wicked world. Remember the two families we asked prayer for in our last letter? The father of one family, Christian, took his family on a vacation for a month to travel around Brazil. We didn't know what God was doing but as a result of this trip, Christian came to realize that he needed Jesus Christ as his Savior. Before he came back to Cacoal, he prayed to ask the Lord to save him! Then he was baptized! Continue praying for his wife, Sabrini, and their children. Two others were also baptized in March: Aline, the wife of Fábio, from the other family, and one of our young

single men, Daniel.

That's not all! God also saved the 12 year old girl, Isabelly, our neighbor, who has been coming to church

with us. To our surprise she indicated that she was saved and I asked her when and she said on Saturday night in her bedroom! That was my birthday, the 24th of February! God is so wonderful!

In March, Pam and I went to our BIMl Conference in the State of São Paulo which is the other side of the country from us now. Praise the Lord, we had a great trip and a wonderful refreshing time though it drained our energy. I preached twice in the church in Limeira and we got to visit many of the people that we had seen salved and baptized while we were serving the Lord there. Believe it or not, I even told the Resurrection story the children's meeting on Saturday before Easter.

The Lord gave us several opportunities to share the Gospel with unsaved friends too. On our first plane ride to Limeira, the Lord opened the door for me to spend over an hour sharing the Gospel with a businessman, who sat beside me, searching for the Truth!

We also praise the Lord that pastor Jaime is doing a great service for the Lord there in the Limeira church! God does answer prayer!

The cataract surgery on my eyes went well except for a little problem with my right eye. I had to have a laser treatment which shattered a small piece of the cataract that was still in my eye. Now, five weeks after the treatment, I am still putting drops in it but I am seeing much better and without glasses.

June to September, we are planning a short furlough to the States. We hope to have a video for all who would like to see what God is doing here in Cacoal, Brazil. We do plan to return to Brazil to keep on serving the Lord while we can. Pam is invited to speak to about 300 ladies in a Ladies Retreat in Limeira in September.

We are grateful to be able to serve our LORD here in Brazil. Thank you all for your faithful support and prayers. Continue to pray for souls to be saved, for this is the reason that Jesus rose from the dead! As the Lord promised, "Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not."

To God be the Glory,
